## **COMPETITOR CROSS-REFERENCE**

This cross-reference is a guide to help you identify compatible motors. Every effort has been made to accurately cross-reference the motors based on published information. It's possible to achieve other matches by varying such items as efficiency, voltage, etc. Please contact your local Baldor Sales Office should you require information on our products.

The information in this cross-reference guide is subject to change at any time without notice and should be used for reference only.

Updates to this published list are made from time to time on Baldor's website: [www.baldor.com](http://www.baldor.com).
